

Dear Fellow Traveler,

YOU KNOW US. We love picnics in Tuscan vineyards. Sunsets in Santorini. Chatting up a chef in Provence. That will never change. But like so many of our guests, we've always balanced our overseas travels with journeys closer to home — ferrying off to solitude in Washington's lush San Juan Islands, a cook-out at a friend's ranch in Montana, walking Nova Scotia's spectacular coast, sipping wine in Napa Valley.

For 2003, Classic Journeys has over 30 departures in the U.S. and Canada.

Every North American Classic Journey has been carefully created in the high style you remember with full-time local guides, unforgettable walking, and rich insights into culture and natural history. We've lined up our favorite inns and fantastic dining on regional specialties. Most of all, we promise you that memorable sense of really experiencing the places you visit with us.

Please call us at 1-800-200-3887 if you have questions, or would like more information about any of these tours!

The North American itineraries for 2003 include: Islands of the Pacific Northwest; Nova Scotia; Québec & Charlevoix; Napa & Sonoma; Vermont; Santa Fe & Taos; Alaska's Kenai Peninsula; Bryce, Grand Canyon and Zion Parks; and Montana's Glacier Park.
